Comments:

7/16/2001 - Sent letter withdrawing permit. If operator wishes to start mining at a future date, will need to submit new notice and pay permit fees.

6/28/2001 - Tom placed phone call to operator regarding permit fee. He is not going to go forward with this permit at this time. He would like the proposed notice to be withdrawn. He informed BLM and BLM will send us a letter to this effect. No fees will be required at this time.

6/12/2001 - Letter sent. Plan very deficient. Sent LMO form & rules to operator. DOGM will not place on review list until receive completed form and appropriate fees.

6/11/2001 - Received copy of plan forwarded by BLM. No fees received. DOGM to determine if >50 acres or <50 acres to send billing
